

NEW CCTV PRODUCT RELEASE!

Bullet Version OAHD-1080P-S-B4-1T

Dome Version OAHD-1080P-S-V4-1T

Kit Contents:

- 4 x Cameras (Depending on what version ordered)
- 1 x DVR c/w 1TB Hard Drive, Power Supply & Mouse.
- 4 x 18mtr Pre-Terminated video connection Cables - for camera to DVR connection.
- 1 x Patch Lead - for connection to the Router.
- 1 x Power Supply - for the cameras.
- 1 x Splitter - So all for cameras can be powered together.
- 1 x HDMI Cable – for connection to a screen.
- 1 x CCTV warning labels.

This is a 4 in 1 DVR CCTV system that has full recording capability with continuous & motion sensing capabilities. Each camera is 1080P 2MP and includes IR (Infra-Red) night vision. The IR distance is 20mtrs as standard and increases to 30mtrs if a varifocal lens option camera is used.

The system has a full P2P function when linked to the IOS or Android APP, **N_EYE PRO** . This enables you to look at live footage from anywhere in the world as long as you have a receiving 3/4G signal on your device.

The OAHD range is also available in 8 channels with 4 x cameras, allowing for extra cameras to be added at a later date or for specific requirements like PTZ Speed Dome, Covert or industrial/commercial additions. OAHD-1080-S-B4H8-1T – OAHD-1080-S-V4H8-1T.
